

Because of you ...

Eight pediatric Lupus patients and their families have been helped through your generosity from January through August 2023.

Your fund has provided support for:

Gas cards to assist with transportation to and from appointments

Rent assistance

Electric bill assistance

Walmart gift cards to purchase toiletries and clothing

Publix gift cards to cover prescription costs

We Are Informing Patients of your Funding by...

Working with clinic manager Gina Lombardo, who gives each patient and their family an informational sheet about Brooke's Butterfly Bash funding, how much money is available, and what funding can be utilized for. Gina works with each patient and their family confidentially, to maintain their privacy.

Thank you for your support!

Funding Opportunities To Help With Lupus Treatment Costs Are Available!

Funding is provided by Brooke's Butterfly Bash Foundation, a non-profit that was established by Denise Brown, after her daughter Brooke Brown passed away in 2017 at the age of 18 due to complications from Lupus.

Denise is a local Realtor, fundraiser, and volunteer, but a mother first. For the past 5 years, Brooke's Butterfly Bash Foundation has benefited children and families battling Lupus through the Tampa General Hospital foundation.

Denise's passion for this cause is her way of honoring her daughters legacy of helping others. Brooke's illness over the years defined her purpose of helping children by wanting to become a pediatric nurse. Denise's goal is to prevent another child from suffering, like Brooke.
